Quick and easy cross-selling

You'll only need to enter common details once and they can be used to apply for multiple products. Just like an online shopping cart, you'll be able to price the products and then add to a cart to start enrollment. And, you'll only need one signature per applicant, no matter how many product applications.

With just one submission, you'll be able to see all of your submitted applications on your pending new business online report within 30 minutes.
