Not all members have the same needs. That's why Wellcare is partnering with Wex to expand our Supplemental Flex Card benefit for 2022. This pre-loaded Visa debit card can be used for costs beyond what the dental, vision, and/or hearing benefits cover, allowing members to extend their coverage where they need it most.

Members on plans that offer the Flex Card benefit will be mailed their card shortly after enrolling, along with instructions on how to use it. Their Flex Card comes with 24/7 telephonic support and they may use the Wellcare member portal or the Wex Health website to check their balance and last transaction, or to report a lost or stolen card.
