Life Insurance within a Divorce Decree

In divorce cases where child support or alimony is ordered, life insurance may also be required. An Income AdvantageSM IUL policy from United of Omaha can help provide financial support through the duration of the agreement. And IUL offers the opportunity for growth that other products may not. Download the "[For Better or For Worse](#)" sales idea for more information, including a comparison of the life insurance options available.

More Flexibility = More Sales

It's the new normal. Today's clients expect choices so it's only natural that the provider who allows for flexibility has an edge. That's why we encourage you to check out our [Term Conversion Guidelines](#), which details the ins and outs of positioning our term products as flexible and user-friendly.
